*Now it is time for a great new American enterprise, time for
this nation to take a clearly leading role in space achievement;
(which in many ways may hold the key to our future on earth)*

—John F. Kennedy

The new era brings changes in the world around us and in school life. Perhaps the greatest accomplishment of the new era occurred in July of 1969: Man landed on the moon. The new era is a time of more freedom of expression. As Viet Nam came more into the news, Washington became the scene of several peace demonstrations.

The new era is a time of change and a time of discovery; discovery that change takes time. Y.H.S. saw the dawn of a new era. Students received more freedoms, privileges, and a greater voice in the school government. The first step in this direction was the formation of the student-faculty forum. The purpose of this organization was to examine and if possible solve the problems of Y.H.S.

Superintendent of Schools Ray W. Barber, right, was faced with financial problems this year because of a millage defeat in December. However, financial planning became a little more certain with the millage being passed in May. Dr. Barber was aided by Assistant Superintendent John Salcau, below.

Dr. Marcia Potter, Secretary

J. C. Hall, Treasurer

Board of Education

Trustees Don C. Vogelsberg and Richard Roberts attended many meetings at which plans for the new school were discussed.

Assistant Principal Richard Mueller worked out a computer program for class scheduling and grade reporting. He also spent time working with students, teachers, and parents on discipline problems.

Administrative Team Completes First Year

Mr. Ralph Grimes faced a difficult first year as principal of Y.H.S. Students frequently saw Mr. Grimes in the halls surveying the school situation. Also, many students worked with him on committees trying to solve school problems.

Assistant Principal James Moore had the sometimes unpleasant but necessary job of dealing with student attendance. Advising Student Council he worked with students in developing the school activities program and running the school elections.

Language Arts Department Expands Program

Miss Wagstaff remained at the helm of the Language Arts department. In an effort to expand the department to meet the needs of more students several new courses were added. Creative writing was aimed at providing an outlet for the literary talents of Y.H.S. students

American writers was aimed at the general student who wanted to increase his knowledge of literature. Journalism was changed to include a study of mass media. Students learned how plays are produced in play production class.

Science Department Explores Environment

The science department under the direction of Mr. Richard Buccos offers students the opportunity to explore life in our environment.

Students dissect worms and other small animals in biology and life science. Chemistry and physics allow students to explore the order in nature. Conservation, a new course was created for students who are interested in studying environmental problems.

Math Department Plans to Expand Curriculum

The math department, under the direction of Mr. Taylor, has made changes this year and is planning to add more to the curriculum in succeeding years. A new course, Functional Mathematics, is being taught by Mr. Lewis, who taught math at Roosevelt last year. Regular classes of algebra, advanced algebra, geometry, Mathematical Analysis and pre calculus are being taught by Mrs. Frye and Mr. Taylor, with the help of students from EMU and U. of M. Possibilities for the future are a course in computer mathematics and a calculus course.

New Courses Update

Social Studies Department

In an effort to interest more students in the social studies department, several new courses were instituted. Asian studies, aimed at tenth grade general students, dealt with the peoples of India, China, Japan and Southeast Asia. Emphasis was placed on understanding the people's problems and what is being done to solve them.

European-African studies was also designed for the tenth grade student while American studies was designed for any student who hadn't completed a year of American history.

Vocational Education

Most students find courses in the vocational and occupational education departments to be relevant and the knowledge they gain to be personally rewarding. Home economics, drafting, graphic arts, auto mechanics, electricity, building trades, and machine shop are among the many courses offered in these departments.

Business Ed. Offers Many Courses

The business education department at YHS was aimed at training students for work in business. There were courses in business machines, typing and shorthand. There was also a new course called College preparatory. College bound students learned note hand, typing and how to research. The business department's main aim was to prepare students for entrance into the business world.

To cultivate the talents of students in hopes of better music and art for the future is the goal set for the fine arts department by its chairman Mr. Herbert Fry.

Students in Mrs. Rohn's art classes discovered that art theory is as important as the project itself. Displays of pottery, painting, and weaving often appeared in the showcase outside of Mr. Skinner's room.

In addition to the already existing band and choir courses, a new music theory course was offered. This course was designed to prepare students planning on majoring in music in college.

Homecoming 1969 was made a big success by the many hours of work that each class put in on their float. The seniors won the third year in a row making history for the only class to win all three years.

Class of 70 Wins Again!

Homecoming 1969 was a time for continuing old traditions and enjoying the new and exciting things that make up the homecoming festivities. For the first time in memory the float competition was won by the same class for the third year in a row. The senior class of 1970 found the knack for the third year and took top honors with their float, "Ding Dong Dearborn's Dead". The junior class progressed from their 3rd place finish last year to a 2nd this year.

The novice float builders, the sophomores, took third place with their float, "I'll Bet You". Announcement of the queen, Cheryl Turbin, was again held until half-time of the game.

Student Council Has Active Year

Under the direction of president Gail Burrell, the student council had a busy and productive year. The first activity of the year was sophomore orientation in September. The new students got their first look at YHS under the guidance of the student council. Early fall brought the beginning of many successful dances. After each football and basketball game, the dances were always well attended. The student council also sponsored the food drive and competition between the classes. The juniors won with 700 lbs. As the end of the school year approached the student council sponsored Twirp Week. Included in this week was Love Bug Day, Snack Day, and Music Day.

Greg Johnston, Vice-President of the Student Council, painted this mural in the student council office in honor of all the hard working student council members for the 1969-70 school year.

Sem and Palladian Expand Staffs and Coverage

The Sem staff was enlarged this year to include more students with diverse interests. The paper attempted to include something of interest to all segments of the student body. As a result many new columns were added. School policy decisions and changes in student government were covered in the news section.

The Palladian is YHS's art-literary magazine. The Palladian's purpose is to give students a chance to express themselves and be aware of what other students are thinking about and capable of creating.

Ypsilantian Has Fall Delivery

In the effort of improving Ypsilanti High's yearbook the 1970 Ypsilantian staff tried many new ideas. Again as in the past more pages were opened up for the portrayal of student life. A more all around coverage of student life both in and out of school was, perhaps, the highest goal of the Ypsilantian staff. Also many hours were spent to make a more interesting ad section for the annual. The biggest change in the Ypsilantian this year was the change in delivery date. In previous years the book has been available in early June. This year the staff decided on a fall delivery. By adopting this date the staff was able to cover the entire school year, including the Senior Prom and graduation.

Brent Prain, editor-in-chief, worked many long hours laying out the design of the yearbook, plus doing various sections himself.

Band director Donald R. Racine conducts one of the daily rehearsals. Under his leadership, the band achieved I (Superior) ratings at both

the district and state level for the second consecutive year.

Band is Number I Again at District, State

The YHS band enjoyed another year of great success. Beginning with the annual week at the National Music Camp, Interlochen, Ypsi High musicians prepared for the coming marching season. Fall marching included performances at all home football games, the Wayne away grid clash, the University of Michigan and Eastern Michigan University band days, the EMU homecoming parade, and YHS' own homecoming parade. Drum Major for the '69-'70 year was senior Tom Bingham. After the final game, the business of getting ready for the concert season began. The winter concert in February was a prelude to preparation for the district music

festival, where Ypsi achieved its second consecutive I rating, qualifying them for the state festival. The district rating, in fact, was a straight I effort. At the state festival, held at Swartz Creek H.S., the band again scored a I, making this another second straight year achievement. The year ended with a spring concert, performances with the junior high school bands, and marching in the Memorial Day Parade. The pep band, under the leadership of Brent Prain, performed at all home basketball games and pep assemblies. Brent Prain received the Sousa Award, and Wendy Barich received the Arion Award for their ability on their instruments and service in the band.

Bob Brower's trombone squad stands attentively while announcement is made concerning next marching maneuver at home football game. The Brave marching band performed at all home games, and also went to the Wayne game at Wayne.

At homecoming game, the band and Girl's Drum and Bugle Corps join together for pre-game show. Pictured at the right is senior Tom Bingham, YHS band drum major in '69-'70.

Several members of the band went to solo and ensemble. Ypsi High had the most members participate from anywhere around this area. The majority received I ratings which mean excellent performance. Above are Marshall Brown, Bob Brower, Bill Lokey, and Tom Bingham performing a trombone quartet. Below is the second band, (cadet band). They rehearsed every day during sixth hour in the band room.

Each year two awards are given to the two members of the band who give the most for the band. This year the Sousa Award went to Brent Prain and the Arion Award went to Wendy Barich.

DBC Keeps Up Trend

The DBC put on a show at every home football game this year as it always does. Pictured here are Arlene Fehrenbaker, Martha Holloway, and Debbie Hagen showing their skill on the field before a big crowd at one of the football games.

Under the direction of Drum Majorette Sally Wallaker, the Drum and Bugle Corps completed another successful and busy season. In addition to their home football shows the DBC traveled to the Belleville game and to the Tulip Festival in Holland in mid-May. Continuing an old tradition the Drum Corps served as ushers at the Marji Randazal dance recital. The highlight of the football season was the annual pajama party at president Annette Callis' house. It was here that the sophomores were officially initiated into the corps. The season closed with the Senior Honors banquet. Mr. Racine, Mrs. Walter Daschner, and Mr. Fry continued as the corps able advisors.

Choir Gains New Insight Through Participation.

The A Cappella Choir gained a better understanding of music this year. The choir participated in the Michigan Music Festival at E.M.U. this spring. As in years before, they received a high rating at this event.

Girl's Glee Club put on a Christmas Concert with the Orchestra. Several outstanding members of the choir were featured at this concert.

On the afternoon before students were dismissed for Christmas vacation, the A Cappella choir caroled through the halls.

FHA and FTA Continue to Be of Service

A Future Homemakers of America chapter was started this year. One of the group's projects was making Christmas cookies for YHS graduates in the armed services.

The Future Teachers of America continued to be of service at open houses and faculty in-service training days. Also, FTA members worked at area schools in order to obtain some idea of what teaching would be like.

Thespians Present Musical, Drama; Prove

After many hours of rehearsing lines, Mrs. Weiss, director of the NTS, studies some last minute notes before that final rehearsal.

Successful

The YHS branch of the National Thespians had a dramatic beginning this year with the production in December of Arthur Miller's *The Crucible*. With the help of the advisor Mrs. Weiss and her two play production classes the thespians were able to tackle their first dramatic play. Many new actors and actresses were introduced in the *Crucible* and the ranks of the NTS began to swell. In early May the Thespians presented their second play, *The Music Man*. Student directors, Marcia Wilcoxon and Gary Wawraszack gave the play able leadership.

A new technique was used in the production of the *Crucible* this year. Instead of the usual one cast, Mrs. Weiss chose two. Each cast, performed for two evenings. Senior, Gary Wawraszack took the male lead in both casts. Wendy Barich and Sandy Freeborn shared the female lead of Abigail.

Many new performers were introduced in the *Music Man*, also. Rick Moore took the role of the fast-talking, hard-hearted traveling salesman, Professor Harold Hill. Harold's love for the town librarian, Marian Paroo, Laurie Leabu forms the basis for the rest of the play. This was undoubtedly one of the best plays ever presented.

The National Thespian Society: (In no particular order) Sandy Freeborn, Krista Wheatley, Denise Lewis, Hillary Goddard, Cindy Johnston, Linda Wolter, Karen Williams, Debbie Hagen, Wendy Barich, Greg Jackson, Val Terhune, Bruce Sipple, Debbie Bates, Steve McCarthy, Tom Bingham, Michelle Hays, Joe Quigley, Terry Baptist, Liane Schmidt, Brent Prain, Chuck Helppie, Krista Walters, Steve Repko, Melissa Dusbiber, Gary Pinson, Marcia Wilcoxon, Keith Harris, Grant Walters, Eric Olson, Greg Johnston, Karen Buccos. The two productions that the Thespians put on this year were **THE CRUCIBLE** and **THE MUSIC MAN**.

The Crucible, by Arthur Miller, was presented at Ypsi High in December. There were four performances, with two different casts that introduced many new actors and actresses to the National Thespian Society.

Several Students Join Co-op

Co-operative education is aimed at preparing students for employment outside of school and continuing their education in school. Students must have nearly enough credits for graduation at the end of their junior year to elect co-op for their senior year. Co-Op students work a minimum of fifteen hours per week at a local store or business. In addition to their wages they receive one academic credit. All co-operative students are required

to take one co-op course related to their job. For this they receive one credit. The co-op class was honored at many breakfasts held by local merchants who in turn speak to the students about the opportunities for employment in their area of retailing and marketing. The class also traveled to Battle Creek and toured the Kellogg plant.

Student Faculty Forum.

. . . New Way of Solving Ideas

The Student Faculty Forum was newly organized to improve the relationship and feelings between students and teachers at Y.H.S. The Forum tried to solve problems by listening to ideas from both students and faculty. Teachers and students learned to work together on the same level.

There are twenty-seven members; twenty-two of these

members can vote. Ten teachers and twelve students make up the voting Forum. Student Council President Gail Burrell, Mr. Grimes and the class presidents are the non-voting members. It was through the Forum that the new dress code was established. Meetings are open to all students and usually held once a week.

Aquamerrettes Have Interesting Show

A Day in the Life of Ellington Smirk III was the theme of the Aquamerrettes' annual swim show. Mrs. Deuel directed the production.

Graduation Ceremonies 1970

Ypsilanti High School's Class of "70" was led into Bowen Field House by class president Scott Nelson (upper right). Graduation ceremonies are often long and tiring, but somehow are a suitable formal tribute for four years of hard work.

Parents wear grins and a few even become misty eyed when their offspring steps up to receive his diploma. Nevertheless, the names continue to be called off until it is all over. High school years have ended and it is time to build a lifetime.

Principal Ralph Grimes looks on with pride as the class of 70 receive their diplomas from school board members.

Having finished the basic twelve years of school, the Class of 70 files out as citizens of tomorrow's world. They have just finished taking a step for themselves and are about to take a leap for mankind.

Head coach Ralph Perrillo's second year record at the varsity grid helm was a complete reversal of his first as the Brave football team finished with a final record of six wins and three losses. That final mark included a five game winning streak, climaxed by a 7–3 victory over Class B power Lumen Christi.

After losing three of their first four games, the Ypsi gridders put it together for the fifth game, a 35–6 triumph over Livonia Churchill on the rain-soaked Shadford Field. The momentum continued in subsequent weeks, with a homecoming win over Dearborn, and road victories over Wayne and Belleville, before the finale with Lumen Christi. The Wayne win gave YHS a share of the Sauk Trail League championship. The 6–3 record was the Braves best since '65.

Coaches Perrillo and Fowler talk with scouts in press box, preparing to send in a play.

Senior tri-captain Tom Bower was the second-team All State selection, all-league guard and most valuable lineman.

Bower Named to All-State, Bickley Mentioned

Tom Bower, senior guard and tri-captain, earned second team all-state honors for his fine play. Bower, who started in 25 of 27 varsity games in a three year career, was also named to the first team all-league, was the league most valuable lineman, and was team MVP. Gary Bickley, shown at the right making a one-handed grab, was also an all league selection, and was honorable mention All-State.

Seniors Give Needed Leadership,

Will Be Missed in '70 . . .

The 16 seniors on this year's grid squad made valuable contributions to the team, and gave it the needed leadership called for after the early season slump. Led by tri-captains Tom Bower, Lonnie Taylor, and Gary Jentzen, they made up the bulk of the offensive line and defensive backfield. Named to all-league positions were seniors Tom Bower, Gary Bickley, and Rick Coker, while several others earned second-team laurels. Their absence will surely be felt in '70.

Lance Allward (shown passing and scoring here), regained lost quarterback job when sophomore Fred Trosko suffered a shoulder injury. The senior led the team to four straight victories, and earned first-team all-league honors as quarterback.

Sophomores Fred Trosko (18) and Rufus Powell (44) are two big reasons why you'll see Brave fans smile when they look to the future. Trosko earned the starting QB call after his performance in the Parkside game. Before an injury finished him for the season, he threw for 638 yds. (27 completions of 63 attempts) and five TD's. Powell, a tailback, was the team's leading scorer and rusher. The speedster scored seven TD's and rushed for 448 yds., averaging 4.48 yds. per carry in 100 attempts.

But Underclassmen Show Cause For Optimism

The Braves were, for the most part, a young team. Sophomores and juniors held three of the four offensive backfield positions, and made up the bulk of the defense that came on so strong at the end of the year.

Named to first-team all league positions were tailback Rufus Powell, linebacker Jeff Jentzen, and defensive backs Jim Buelow and Wyman Green. Several others earned second team honors. YHS will have an abundance of returning lettermen for the '70 season, and combining them with standouts from the reserve team should add up to an addition to that final five game winning streak.

Rookie Coaches, Rookie

Braves Also Winners as

JV's Post 5-3-1 Mark

Junior All-leaguer Wyman Green returns intercepted pass in Lumen Christi game.

The JV football team also finished with its best record in recent years, compiling a 5-3-1 slate. Under the hands of first year YHS coaches Ralph Dresch and Hildred Lewis, the Little Braves scored wins over Monroe, Livonia Churchill, Wayne, Ann Arbor Huron, and Belleville.

Sophomore tailback Rufus Powell led the Braves in scoring and rushing. In 100 attempts rushing, this speedster accumulated 448 yards for a nifty 4.48 yards per carry average, and scored seven touchdowns. Here shown being led on a sweep by Amen Bow and Fred Trosko, Powell also earned first-team all league honors from the Sauk Trail coaches.

First row—Jim Wales, Mike Summerlin, Dan Hyatt, Rick Hawkins, C. J. Cooley, Don Schooley, Asantae Caldwell, Scott Arnet, Gary Wolter, Bob Fidler, Steve Smith, Glen Albert, Mike Steinhauser. Second row—Coach Hildred Lewis, Dan Meade, Sam Goode, Jeff Rust, Dave

Fortney, Barry Fancett, Rod Stark, Richard Sattler, Pat McCrystal, Steve Wilcoxen, Tom Baker, Jay King, Tom Brackney, Bruce Mann, Mark Purcell, Gary Ziegler, Coach Ralph Dresch.

Allen Takes Eighth in State

Individual Cross Country Run

Bright spot for Coach Levi Simpson's cross country team, which finished third in league standings, was the running of senior Rod Allen. Allen, who had never run cross country prior to this year, was always among the top three finishers in any dual race, finished second in the league run (setting a new YHS record of 9:55 over the two miles in the process), finished fifth in the regional run (qualifying him for the state individual run), and then capping it all off with an eighth place finish in that state meet. This was the highest finish ever by a Brave in the individual race at the state meet.

Ypsi's varsity harriers begin dual run against Wesland John Glenn at the West Jr. High home course, located at Congress and Mansfield.

Brave harriers Jim Hawkins and Dave Hart at the end of one of the home dual meets. YHS cross country team finished third in Sauk Trail League standings.

"Rebuilt" Cage Squad Finishes 16-4 . . .

. . . Capture Fourth Straight League and District

Captain Sid Frye led the Braves in scoring, and was named team's Most Valuable Player and unanimous first team All Sauk Trail League selection. The 6' senior, a starter for two seasons, also earned the "Hatchet Award" as the most aggressive player on the team, and honorable mention on most All-State polls.

Rebuilding a basketball team that finished second in the state and then graduated 3 starters and two top reserves is a pretty big order. When this is accomplished, and the result is a 16-4 record (which includes a fourth straight league and district championships), it adds up to another successful year for the YHS cage squad. Except for the 78-65 pasting by Flint Northern, Ypsi was never "out" of any game (the other three losses, close as they were, were determined by free throw shooting). Senior captain Sid Frye and junior Steve Rhodin were the only starters left from the 68-69 team, and coach Dick Ouellette looked to Terry Frye, Charles Slater, and Fred Trosko to fill the other openings. Bench strength came from the likes of Jeff Washington, Wyman Green, and Andy Williams. Ron Gardner, a junior transfer from Detroit, moved into the starting line-up in the season, and led the team in scoring during the tournament.

The Braves prepare for a road game at the new Huron High, wearing the new warm-up suits purchased this year to compliment the game uniforms purchased last year.

Terry Frye, at 6'4", was the tallest Brave, and even though the enemy big men might be as much as five inches higher, the senior pivotman would never give ground, as evidenced here against Saginaw.

Terry was the team's leading rebounder and third leading scorer, and was a second team all-league pick.

Junior Steve Rhodin, whether scoring on one of his jump shots, or playing the ball hawk on defense, excelled. He led the Braves in assists and free throws. The 5'10" guard, who will be the 70-71 cage captain was named to the first team in all-league balloting.

Coach Dick Ouellette once again taught his ball club to play a tough, defensive ball game, the result being a team that allowed its opposition only 59.2 points per game, while scoring at a 72.4 clip themselves. While there were some heartbreaking setbacks, including the overtime regional loss to Catholic Central, the Braves were awesome, knocking off Lumen Christi twice, and defeating Saginaw, a team assistant coach Gary Davis termed, "that experts might've said we shouldn't even have been on the floor with." The biggest margin of victory was 47 points, as Ypsi rolled over Belleville 92-45 in the second game of the season.

Fred Trosko earned his second varsity letter of his sophomore year as a forward on the basketball team. He excelled from the free throw line, and was an excellent passer.

As a team, the Braves, of course, were honored as Sauk Trail League and district champions. At the annual cage banquet, Terry Frye won the award as the leading rebounder, Sid Frye was winner of the "hatchet award" and scoring leader as well as Most Valuable Player and first team all league. Steve Rhodin was the assist leader, and was named as captain of the '70-'71 team. Univ. of Michigan head basketball coach Johnny Orr was the guest speaker at the banquet.

Wrestlers Undefeated, Top Ranked

By far the biggest success story in YHS sports this year was the wrestling team. Ranked number one in the state all season long by a poll of coaches, the grapplers of coach Roy Wilbanks went unscathed through 13 dual matches, captured first place in every team tournament they participated in (except the state meet), and were always regarded as the team to beat wherever they went. Although success is always a team effort (and even moreso with the YHS matmen), the Braves did have some stellar individual performances. These included Marty Spalding, Nehemiah Weston, Charles Wells, Rick Bohn, Amen Bow, Wendell Lewis, Jeff Jentzen, Pat Buck, Henry Weathers, and Captain Larry Rice—Ypsi's ten district finalists. Others would always come through when needed. Rice, a regular for three varsity seasons, went on the place first in the regional tournament and second in the state meet.

Nehemiah Weston rides out his opponent. The junior was a league titlist and district runner-up.

District titlists Charles Wells, Steve Jentzen, Wendell Lewis, and Larry Rice display their bracket boards. Rice holds the team championship trophy from the district meet held here at YHS.

Combined Varsity-JV Wrestling Teams

Front row: C. J. Cooley, Charles Wells, Alan Marshall, Willie Stornes, Greg Ward, Joe Pavlovich, Jimmy Hawkins, Nehemiah Weston, Chris Trout, Walter Walker, Don McLilley, David Jordan, Bob Steward, Zack Harbuck. Second row: Jeff Rust, Charles Taylor, Amen Bow, Dennis Spear, Ken Williams, Larry Rice, Rick Bohn, Chuck Whisenant, Keith Holman, Bruce Mann, Alan Sunday, John Brumley, Marty Spalding. Back row: Head coach Roy Wilbanks, trainer Pat Southward, Tom Hammonds, Bob McSpadden, Steve Smith, Don Roach, Larry Savage, Jeff Jentzen, Henry Weathers, Steve Jentzen, Harlow Corwin, Pat Buck, Wendell Lewis, Kevin Stone, Trainer Bob Murray, Assistant coach Mike Bradley, Assistant coach Randy Lockey

The JV wrestling team went through their schedule with a near-perfect 12-1 record. Their only loss came at the hands of Owosso, when some of the JVer's were entered in a novice tournament elsewhere. Coaching the young Braves was Mike Bradley, a YHS alumnus, former state high school and Big Ten champ. Assisting Bradley was Randy Lockey.

Mike Bradley "returned" to YHS this year as the new JV and varsity assistant coach. His JV squad finished with a 12-1 record.

Captain Larry Rice was a varsity regular for three years. Last year he was third in the state in his division, and this year was undefeated in dual matches (he was once tied). His only two losses this year came in tournament action—the finals of the Garden City Invitational, Larry is shown battling a Temperance Bedford opponent at the left, and above, receiving his second place medal at the state meet.

Swimmers Finish With 7-6 Winning Mark

The biggest reversal in fortunes in comparing records of last year and this year has to be in the swimming team. With the help of additional coaching and the closing of Roosevelt H.S., the tankers finished with a 7-6 dual meet record, plus a second place finish in the multi-team Garden City Invitational swim meet. A total of 11 new varsity records were set, led by the brother team of Wayne and Warren Blikken. Wayne, a senior, captained the team. Other standout performers were Doug Knapp, Chuck Dornboss, diver Glen Albert, Tim Cox, Bob Langen, Jim Williams, and others. Mr. George Parker was again the head coach, and he was very ably assisted by Bob Harding and Don Porter.

Posing for these impromptu swimming team pictures were a quartet of senior members and three underclassmen. In the top picture are seniors Tim Cox, Capt. Wayne Blikken, Bob Langen, and Jim Williams. In the lower picture are Bill Adams, Norm Roesch, and Doug Knapp.

George Huxley finishes with big lead while Greg Weatherspoon heads for third. Both Braves were members of the regional runner-up 880 yrd. relay team. Below, Dave Smith hands over the peg to another runner on the team. Outstanding runners included George Huxley, Dane Fortney, Dave Smith, Greg Weatherspoon, and Eric Lewis.

Individuals Highlight Track Season

Though finishing fourth in the league standings, the track team did gain honor through some outstanding individual efforts. These included George Huxley, who qualified for the state meet in both the 100 and 220 yard dashes; Dane Fortney, who took a regional title in the 440; and the 880 yard relay team of Huxley, Dave Smith, Greg Weatherspoon, and Eric Lewis, who took a second in the regional.

Front row: Karl Weiss, Steve Rhodin, Bob McSpadden, Bob Moffett, Rich Dickerman, Tom Beaver, Rick Moore. Second row: Gary Jentzen, Allen Bryan, Jerry Jarvela, John Wilson, Lance Allward, Pat Kelly, Mgr. Tom Hammonds. Third row: John Fulford, Gary Bickley, Tom Carpen-

ter, Don Bailey, Bob Vinson, Don Keebler, Jeff Washington, statistician Dave Rich. Back row: pitching and JV coach Bill Ziegler, head coach Robert Moffett, assistant coach Pat Dignan.

Brave "Nine" Takes Another League Title Rhodin Hurls Two No-hitters

The '70 baseball season got off to a very shaky start for the Braves, as they dropped four of their first five games. But then they proceeded to win 10 out of the remaining 12 regular season games, plus their first round game in the Midland tourney, to finish 12-7, including Ypsi's second straight league title. Individual stars for the Braves included pitcher Steve Rhodin, who lost only one game (second round at Midland after throwing a no-hitter in the first round) and he threw another no-hitter in a league contest with Wayne. Hitting stars were Jeff Washington and Rick Coker, along with Lance Allward, Bob McSpadden, John Wilson and Gary Bickley. Rhodin, Washington and McSpadden all return next year, and will combine with other returning lettermen to show another great season in the offing for '71.

Linksters Grab Another Title

Also league champs for the second year in a row was the Brave golf team. Coach Roy Wilbank's linksters were undefeated in league competition, running away with the title from second place Dearborn. Captain of this year's team was Tom Nadeau, a three year letterman for the Braves. Backing him up on the first four were Jim Buelow, now a two year letterman and next year's captain, senior John Sample, a former Roosevelt student, and sophomore Fred Trosko. Ypsi failed to qualify for the state meet this year, facing stiffer-then-ever competition in the Class A regional meet.

Front row: Dan Meade, Tom Oakes, John Sample, Jim Racine. Second row: Peter Avery, Jim Buelow, Jerry Davis. Back row: Fred Trosko, Tom Nadeau, Paul Hoagbin, Coach Roy Wilbanks.

First row: Tim Cox, Bob Murray, Pat Buck, Dave Burandt, Bill Newton, Kirk Profit, Steve Rood. Second row: Dave Otis, Neil Wilt, Ken Bryan,

Faizi Husaine, Ed Ryan, Pete Kingston. Third row: Marc Cripe, Steve Burandt, Kim Heumann, Glen Albert, Coach Claude Wilbanks.

Netmen Second in League, Regional

Victories over Ann Arbor Pioneer and league rival Edsel Ford were just two of the many highlights of Ypsi High's best tennis season in recent years. Another is the Brave netmen's second place finish in the Class A regional meet at Eastern Michigan. The team, coached by Claude Wilbanks, started off the season with five straight wins, including that win over Pioneer on the Ann Arbor courts. The win over Edsel was a First in anyone's memory since the two schools have been in the same league. The Braves

finished in a second place tie with Edsel, both teams with a 3-3 league mark behind Dearborn's run-away 6-0. Standout performers for Ypsi were lettermen Bob Murray, Dave Burandt, Bill Newton, Kirk Profit, Pete Kingston, Steve Rood, and others. Dave Otis, a sophomore and former Roosevelt student, held the first singles spot. Jim MacDonald and Tim Cox were other former Rough Riders who excelled at Ypsi.

Bob Murray serves in dual meet at Frog Island, while his playing partner

YHS Wins All Sports Trophy

Five Titles, Consistency Bring Hardware

Here After Three-Year Absence

For the first time since 1966-'67, the league's all sports trophy, awarded to the Sauk Trail member with the most consistent high place finished in team standings, was won by Ypsilanti High. Ypsi beat Dearborn by half a point at the end of the spring season. Points are awarded on a scale of four for a first place finish, three for a second, two for a third, and one for a fourth. YHS captured four outright league championships—wrestling, basketball, baseball, and golf, and were co-champs in football. In addition, there was one second—tennis, thirds in cross country and swimming, and a fourth in track.

The all sports trophy is shown here guarded by Ypsi High's five league championship trophies. Left to right, these are football, basketball, wrestling, golf, and baseball.

Cheerleaders Keep Pep Strong

Ypsilanti High School cheerleaders, varsity and junior varsity, kept the beat of pep and victory going strong throughout the year.

Many hours of practice begin in the summer with cheerleading camp and individual practice to keep in shape for the many football and basketball games during the year. The cheerleaders also kept the halls and gym filled with booster posters, and planned many effective pep assemblies that kept Ypsi Braves victorious.

More difficult cheers became perfected this year and many new stunts were learned. Paul Pinson, above, begins a fearsome wardance with the varsity and junior varsity cheerleaders during a basketball halftime.

Junior Varsity cheerleaders, above capture the attention of many spectators in Ypsi Highs gym. As many games as possible were held at Bowen Field House, but no matter where they were held, crowds were drawn from all over to watch the mighty braves.

Ski Club Offers Winter Activity

The ski club offered many students an opportunity to be active outside during the winter. The club traveled weekly to Alpine Valley. The hour long trip by school bus was lively and active. Once there the skiers could ski at their own level. For beginners there were instructors and much encouragement.

The more expert skiers were free to ski on the advance hill. The ski lodge was a gathering place for tired skiers and faculty where they could relax and get ready for the next run. In late winter the ski club took a weekend trip to Boyne Mountain. Faculty members accompanied on each trip.

Many New Concepts Introduced

Classes introduced sophomores to many new concepts. Modern World History gave students a new perspective of today's world. Students learned why it is difficult for Arabs and Israelis to get along as well as how the U.S. acquired her commitments in other parts of the world.

In American Literature students read about life in America recorded by Americans who experienced the Revolutionary War, frontier life, the Civil War, immigration, and the Great Depression. Many sophomores read *The Crucible* by Arthur Miller and later saw Ypsi High's production of it.

Sophomore Activities

Build Up Treasury

The sophomores began the school year with their orientation in early September. Getting into the swing of class activities, the class held a tootsie roll pop sale to build up their working capital.

Representatives from each English class were elected to serve on the Sophomore Senate.

The enthusiastic class really worked well together on their homecoming float, "I'll Bet You." More money making projects were on the calender for the sophomores. They sold coke to the debaters at the debate clinic in November. The Thanksgiving food drive also benefited from the enterprising sophomores.

Sophomores Find Ypsi

High A New Experience!

High school is a new experience for sophomores. The adjustments are many in the change from junior high attitudes to high school. At Ypsi High sophomores found more freedom than they had at their junior highs. Freedom to leave the campus during study periods and during lunch. There was a much larger selection of classes than they had before. Classes were held in a much older building and under much more crowded conditions. The sophs were introduced to YHS life at sophomore orientation. It was here that they met their advisor and other school officials. They also learned the rules of the school and toured it.

Soph's Boost Spirit!

High school is a time for study, new experiences and fun. It is a time to find out just who you are. It is a time to grow. The sophomores at Y.H.S. found much time for fun and competition. The sophomores played an important part in Y.H.S.' outstanding sports record this year. All the junior varsity teams were made up of sophomores. The sophomores also made an excellent showing on the varsity teams this year. The sophomores also contributed their lively spirit and enthusiasm. The sophomores cared and they showed this by their support and encouragement of all the teams, and by their participation.

The Fourth of July preparations and celebration were a highlight of *The Music Man*. Weeks of practice paid off as students danced through the celebration. Meanwhile the town's excited anticipation of the band continued to grow.

Sophomores quickly made their presence known at Ypsi High by taking part in many activities. Not only did they participate in athletics, but also were part of the dramatic presentations.

Above, Junior Karen Buccos directs Denise Lewis, Jenny Crittenden, Leah Bass, Sally Ogden, and Karen Weiss in the Indian Dance at the Fourth of July Celebration.

JUNIORS

Class Officers and Representatives Begin Busy Year

Junior representatives. *Left to right, sitting, Barb Olson, Michelle Hays, Jill Bodary, Arlene Fehrenbaker, and LaFerne Duckworth. Standing from left to right are Kris Marsh, Garnett Reid, Lurie Davis, Steve Lindner, Tom Byrum, and Dan Gaylord. The junior representatives served as the governing body of their class.*

The junior class, under the guidance of Mr. Paul Althouse, began a busy year. The class officers worked hard to ensure the success of the various class projects. Class participation was strongly urged in all activities.

In early fall, representatives for the junior cabinet were elected from the various political science classes. They, along with the officers functioned as the legislative body of the junior class.

The Homecoming theme was "Song Titles," and juniors chose "Can't Get Next To You" as the float theme. The juniors worked long and hard on their float, but exhibited plenty of spirit and hilarity while laboring. This activity, while entailing much work, provided a good time for all juniors involved.

Jrs. Place 2nd in Float Competition

Juniors Molly Power and Cissy McAndrew participate in the carwash held during the fall.

The juniors took second place in float competition for their efforts, which was a step up from last year's third place. The juniors did best the seniors in the November food drive. The victorious juniors contributed a total of over 700 pounds of canned food for needy families, far surpassing the combined total of the other two classes.

The junior class sponsored many activities for the purpose of raising additional funds for the senior prom. A carwash in the fall was followed by numerous bake sales and caramel-apple sales. The class also sold bumperstickers at tournament time.

Jean Becker took over as president when Bob Ball moved away.

Lunch is a time for nourishment, study, and hilarity as these girls show. The lunch hours proved to be better than last year.

Lunch Hours

Expanded

This year the lunch period was split into two separate periods. These lunch periods were during the 4th and 5th hours of the day. The lunch periods proved to be much better than in previous years because the students did not have to wait nearly as long in line to purchase their lunch as they had to. Lunch was also extended another fifteen minutes to make a total of an hour. Pop machines were also added to the cafeteria this year by the senior class to improve the cafeteria, and by doing this, the senior class discovered that it was also a very profitable way to earn money.

Also planned for the cafeteria was a senior lounge. The plan was dropped though because of lack of interest. The cafeteria also served as an open study hall.

Together—Juniors Build Float

Painting, pounding and paper flower making kept many juniors busy during homecoming week.

The Fire Station on Hewitt Road was the scene of some work and lots of fun. It was a long time before juniors could look at a football player without remembering their huge construction.

The theme of the week was song titles. The junior's "Can't Get Next To You" took second place in the float competition.

Juniors Mix Fun With Study

No longer lowly sophomores, juniors looked forward to being on top next year. Besides ordering rings, attending class meetings, putting on the senior prom, and just plain socializing, juniors managed to go to class occasionally.

Lively discussions in civics and political science classes found many juniors criticizing, defending and rethinking their views on drugs, the war in Viet Nam, European governments, and the racial situation in America.

Other juniors spent their class time setting up chemistry experiments, reading the classics of English literature or learning how to improve their writing skills. Auto mechanics, painting, band and home economics allowed many students to pursue personal interests during school.

Dave Ahles, Don Bailey, Rick Moore, and Steve Jentzen manage to find humor in math class.

Juniors Remain Busy Through Year

Life for juniors was not all study and work. This busy class spent much time and effort in projects to raise money for the senior prom and other class projects. Many hours were spent making caramel apples for the juniors several caramel apple sales. The enthusiastic response from the rest of the student body made each sale a successful money-making project for the juniors. The class also held several bake sales and car washes. The spirit, enthusiasm, and drive helped make all of the junior ventures a success. In their many outside activities the busy junior class enlarged their education from the basics to include learning to work with others.

Over 300 Attend "Age of Aquarius"

Amid gigantic astrological signs and scenery, the 1970 Senior Prom, "The Age of Aquarius," was held at the University of Michigan dining room, sponsored jointly by the junior and sophomore classes, the prom was attended by some 150 couples, who danced to the music of The

Statesmen, a dance band composed of mostly YHS alumni now attending Michigan State University. This was the first time YHS had used the Michigan Union facility for a prom, and the main and private dining rooms and outside courtyard were a perfect setting for the event.

Seniors Make History By Winning All Three Years

The Class of 70 is the first class in the history of YHS to win the float contest three consecutive years. The sophomore float (upper left) "Breakfast of Champions" started the winning streak. "Team that beats the others cold-Ypsi pours it on" (lower left) was the winner last year. "Ding Dong Dearborn's Dead," on page 36, was this year's winner. Once again the Seniors proved that they were a "together" class.

Silvia Souza and Kai Ganszauge attended YHS as senior exchange students.

Silvia (above) is from São Paulo Brazil. As Brazil's schools have thirteen grades, she will have one more year to attend. Unlike the U.S. where both boys and girls attend athletic events, only boys attend in Brazil. Silvia went to many YHS football and basketball games. She remarked that she liked them very much.

Kai (left) is from Helsinki Finland and is interested in music. Kai also will have at least one more year of high school to attend. This summer Kai received a full scholarship to attend Interlochen National Music Camp. He will play violin in the Youth World Symphonic Orchestra.

who said we need graduates at MBT?

**whoever it was...
is right.**

We need lots of them all over the state. Because they're very important persons at Michigan Bell. And handle a lot of responsible jobs . . . like Telephone Operators, Typists, Keypunch Operators, Service Representatives, and many more.

We're sure you've got the special talents these jobs require. So if you want to be involved in the exciting field of telephone communications, now's the time to take advantage of a good opportunity. Be sure to stop by and see us soon.

***It is only when the iron is hot that it can be molded.
The iron of the new world being forged today is now
ready to be molded. Our job is to shape it; so far as we
can, into the world we want for ourselves and our chil-
dren and for all men.***

—John F. Kennedy

An Editor—

—something not to be

There couldn't be anyone happier than it's done than I am. Finally after all this time, it is finished.

When you take over editorship of a yearbook, the last thing you expect is to have to do the book yourself. Editors in the past have most likely run into the same problem at one time or another. But, in order to reflect a good image of the book, the editor usually praises the staff for all the work they have done. I cannot say this. The *Ypsilantian* staff was practically non-existent all year.

Another problem was lack of space. This year the *Sem* and the *Ypsilantian* were located in the same room occupying about one-third of the room. Financially speaking, we were somewhat depressed during the year as two of the three classes failed to pay their dues for the yearbook.

We, as a staff, decided to have a fall delivery because we felt that by doing this, we would be able to cover a lot of things that couldn't be covered if there were to be a spring delivery. Things that were covered were 1970 graduation, *The Music Man*, and lots of spring sports.

I hope this book has followed the trend in good coverage. There were not any duotones in this year's book because we did not want to take a chance, financially. For anyone who doesn't know how hard it is to put a yearbook together, become an editor. I would like to thank all the people who helped during the last few weeks to get the book done. The last minute help was greatly appreciated.

Acknowledgements are due to all those who helped. A special thanks to Frank Vel, Mary Ellen Vaydik, *The Ypsilanti Press*, and Jack McClure.
